Spirit Week

Does our school have spirit or what? We went all out for spirit week. Students were painting their faces, wearing school colors, and going all out to match the theme of each day! If that's not showing school spirit then what is?

When asked who showed the most school spirit, David Lawson replied by saying, "Cody Wilson, I mean look at him, he's wearing a yellow skirt".

Everybody loves Spirit Week! "This is the best spirit week ever," said Chris Ratliff. Chris Parry said, "Hat day is my favorite day because I get to wear my jester hat". It is important to have Spirit Week because it helps everyone bond and show their personalities in a fun and exciting way!

Pep Rally

Our pep rally was the bomb-digity!!!! The band had new songs to play by Ray Charles. The cheerleaders did their cheers and threw candy into the bleachers for everyone to enjoy. There was even a tug-of-war match and a pie eating contest between each high school grade level. Everyone that was there had a great time.

"This is one of the best pep rallies we've had in a long time," said Demar Goodall. China King said, "Everyone liked the new games and it was funny when the juniors made the Freshmen fall down playing tug-of-war!" The Pep Rally got us Hype and Amped for Stomping out the Redskins at our Homecoming game!

SENIORITY

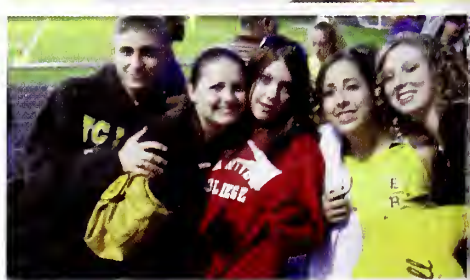

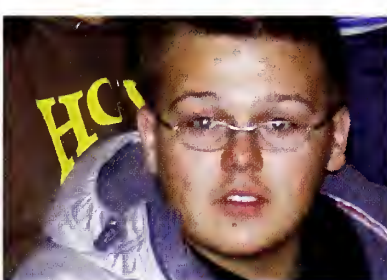

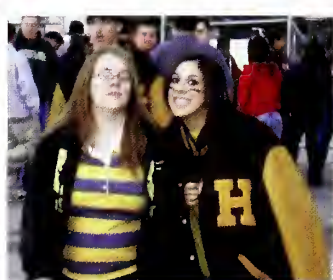

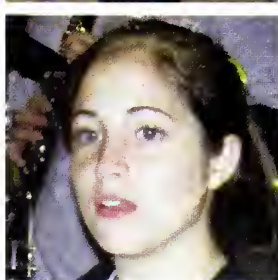

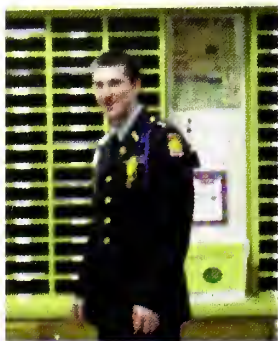

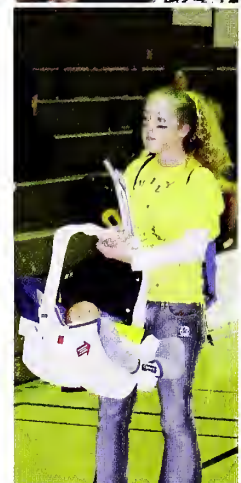

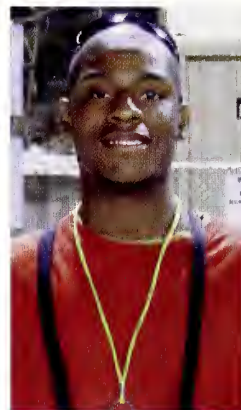

By
Kevin Vinson

Seniors have come and gone here at Howe but none were as special as this year's graduating class. This senior class might not be the first graduating class since Howe reopened, but it is the first class to go from 6th to 12th grade in the school's history. That's impressive considering our school is 69 years old.

"It's pretty good being a senior at Howe," said Kyle Handy "because there's way less homework and if you're caught up on your credits there's not a lot to worry about besides applying for college."

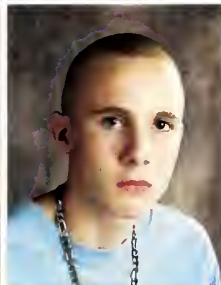

"We should be making a big deal about our graduation because we are the first graduating class that's been here for seven years"
- Meri Edwards

William Turpin said,
"Graduation is going to be phat because tons of people will be there and we get to have a party afterwards!"

One Game AT A Time

On October 6, 2006 the **BAND** played, the **CHEERLEADERS** danced, and the **CROWD** cheered as our varsity football team prepared to take on the Manual Redskins. We **TACKLED** them 8-0! Nigel Forman (#7) brought home the 6 point touchdown, while Marcus Glover (#30) followed with the 2 point conversion. Our team was overwhelmed to be the first team to win a Homecoming game in thirteen years. Zach Rogers (#70) says this about the game, "There is no I in team, and we've proven that!"

During the half-time Cody Rogers and Asia King (freshmen) were crowned Lord and Lady. Nick Warren and China King (sophomores) were crowned Duke and Duchess, Chris Griffin and Lilly Salas (juniors) as Prince and Princess. Finally, Terry Hill and Monica Burris-Mason (seniors) were crowned as King and Queen. "It was v amazing to be able to experience the excitement of having the chance to be crowned Homecoming Queen!" says Rebecca Woodcock, also a senior. The crowd loved the show and the runners loved the crowds' enthusiastic cheering, It was an exciting evening filled with surprises!

Ashley Smith, senior, says, "The best part about the Homecoming dance was when everyone came together to get all their friends in a huge picture!" Many students replied that the dance was a great after party, The music and dancing, "Set it off" says a group of students attending. This was a great ending to a memorable night!

DO YOU WANT TO BE REMEMBERED AS "THE GIRL WHO... UM..." OR "THE BOY WHO DID THAT... UM..."? NOT MONICA BURRIS-MASON, WHO SAYS, "I WANT TO BE REMEMBERED AS A STUDENT THAT STAYED FOCUSED, BUT STILL REMAINED FUNNY. I WANT TO BE REMEMBERED AS ME! THE THINGS WE'VE DONE SINCE OUR FIRST YEAR IN HIGH SCHOOL SHAPE THE WAY EACH OF US WILL BE REMEMBERED BY OUR FELLOW PEERS AND TEACHERS, BUT OUR SENIOR YEAR IS THE LAST IMPRESSION WE GET TO LEAVE!"

REBEGGA WOODCOCK STATES, "I'D RATHER BE REMEMBERED FOR STANDING UP FOR WHAT I BELIEVE IN EVEN IF IT CAUSES AN UPRISE. JUNIORS

“08” !! “08”!! That’s the sound of the Juniors. Maybe one of the most important grades you’ll conquer during your educational adventure. Juniors keep it loud and proud! That’s why it’s all about the juniors!!!

This class came in with certain things on their mind. What college will I go to? Should I take the ACT or SAT? What kind of car am I going to get? They know it’s really time to buckle down. “It’s no time to be playing around, stop acting childish and get on ya’ stuff” said LuRoy Brewer.

When asked, “How do you feel about becoming a senior?” Cierra Ball replied, “I’m excited, but I’m also nervous about moving on to something greater.”

Cody Wilson said the most important thing to do before becoming a Senior is “to get our grades up to Senior Status!”

Nigal Forman is preparing for Senior year by, “going to collage fairs, and applying for scholarships.”

Juniors play a big role and they know how to “do what it do” to pass and reach higher goals! That’s Why it’s all about the Juniors!!! “08”

You are almost there! Two more years and you are free. About time isn't it? Right now is the time to concentrate on your grades and attendance. College is screaming your name!

Chloe Dietz said the best thing about being a sophomore is that "I'm no longer fresh meat!"

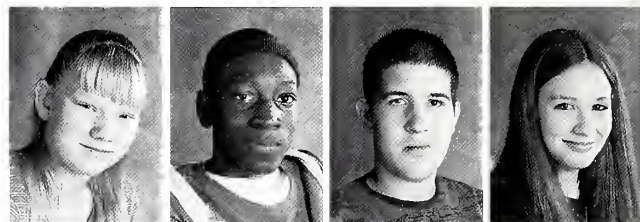

Some of you sophmores may have thought your tenth grade year would have been hard. After expieriencing it, what do you think?

Richard Snyder said "The most stressful part of being a sophomore was passing more difficult classes."

Hold on Tenth graders. Only two more years! You'll be in that cap and gown sooner than you know it!

Freshmen

Hey, we get to be in the yearbook too? Yes, Freshmen you do! Freshmen were, well... freshmen! This was their first year in high school, was it a change or not? Shalyn Smith was asked how being a Freshman was different from 8th grade she quotes, "It's a challenge. It's definitely not middle school. You have new and more exciting responsibilities and you are expected to accomplish more."

Did Freshmen like middle school better? Cesar Dominguez says "No because you get more freedom in High School than in middle school." "High school is cool, some would say. Courtney Radcliff was asked, what's the best thing about high school? She said, "I get to pick some of my own classes. Some want to go back to middle school, some can't wait to be Seniors!"

NEW CHANGES

Changes, changes, changes. All freshmen go through changes. Going from Middle to High school is a HUGE change! Becoming a freshmen comes with extra responsibilities. you now have to worry about credits and more challenging classes. Plus, you are in classes with people that are much older than you.

Some freshmen feel intimidated by all of the older kids. They stay quiet in class, so they won't bring any attention their way. Others love the fact that they are with more mature people. Your freshmen year was an interesting experience, but at least now you've gotten used to High School and are ready to move on up!

A Piece of the Game

Video games, another great bridge between the various gaps. People on all sides of the line tend to find common ground somewhere in the video game spectrum. Jocks and nerds, freaks and geeks, every subculture enjoys gaming!

Of course, when one surveys people, there are discrepancies across and within. A good 15 to 20 people were surveyed, and opinions varied on the subject. Most agreed on the sport game (Madden '07) and the best retro system (SNES), as well as the best current system (Playstation 2 ((360 doesn't have enough games yet" says one gamer))) but when it comes to games and genres, everyone is a critic with their own opinion.

Before we continue, something needs to be explained. Games are generally divided into three categories - sports, action, and puzzle. Sports games include obviously, sports games, racing games, and fighting games. Action is a much broader subject, including Adventure, Role-playing, stealth, and survival. Puzzle games do include Role-playing and survival, but also logic and a few other little genres. Hope that helps.

There was no clear winner for the best game. Everyone had their own thought on this, from Guitar Hero to Final Fantasy. Most people generally liked the other games mentioned, but they chose their game as the best. Therefore, I leave that decision up to you.

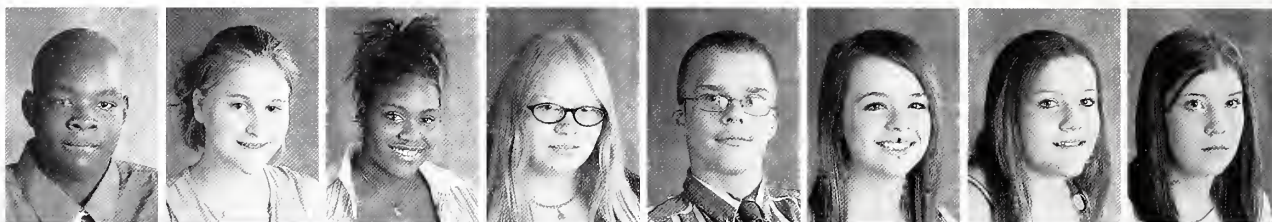

I'll also concede the decision on the worst. Most people just named some obscure game that, after asking around, no one had heard of. No wonder they thought it was the worst. Please accept this journalist's inability to discern a clear-cut answer for the masses.

The genuine consensus on the best genre was a split between adventure and role-playing. The best retro game was a split between Sonic the Hedgehog and Super Mario Bros. There was also a difference of opinion in the best action game, so again, you choose!

This segment on video games, although inconclusive in many ways, surely proves that gaming is widespread and has its claws in every part of society. Now go find your own game that you can place your self in!

PROM NIGHT A NIGHT UNDER THE STARS

Sparkles. Lights. Music. Glamour. These words describe our 2006 Prom. When the lights dimmed and the music started, the Juniors and Seniors started our prom night. "A Night Under the Stars" was truly a night to remember as Senior Brianna Maerz said, "I especially liked the patio in the moonlight!"

The Junior class did an awesome job decorating the Garrison's ballroom. Senior Jessie Cook said, "The tables looked really good and the scenery was pretty too." Senior Kyle Handy said, "I like where the prom was located. It was in a nice ballroom in the upscale part of Indianapolis, and the patio had a sweet view."

When asked what was the funniest thing seen at the prom, many replied "Did you see what Kevin Cherry was wearing?" Yes, Kevin Cherry was a head turner, but "Lena Bishop taking pictures and posing them how she wanted was my favorite part of the prom" said Senior Chris Parry. "Chad Carson doing his 'Chad' version of the ghetto chicken dance" was Ashlie Koehler's answer! All three made big waves throughout the dance!

Senior Phillip Russell said, "I had the most fun listening and dancing to the music with my friends." Senior Brittney Payne agreed saying "I had the most fun dancing and spending time with all my friends." So, all in all, "A Night Under the Stars" was a night that many seniors and other classmates will remember for the rest of their lives.

MIDDLE SCHOOL STUDENT LIFE

8TH GRADE

PRIVILEGES OR CHALLENGES

Eighth-graders, getting ready to become freshman, are going through a lot of changes. Will going to high school change their life? This is what some 8th graders had to say.

Damien Carmer said, "I could get a job after I complete high school, or go to college to get a better job."

Large amounts, and more difficult homework is part of becoming a high school student. Even knowing this, Kenny Enoch says, "I look forward to getting straight A's".

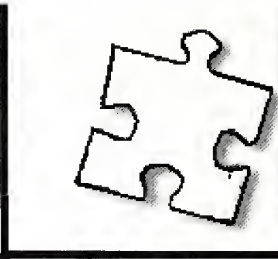

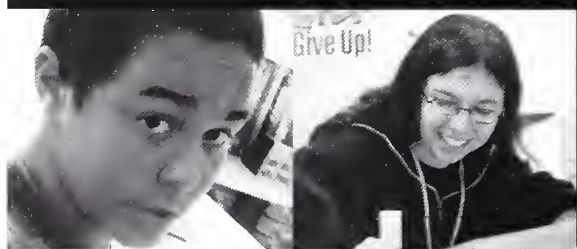

Having more responsibility has its privileges and its challenges. Teachers no longer go aisle to aisle for work, they have "turn in trays."

Is this a privilege (they don't treat you like a kid but give you trust?) or Challenge (there is nobody to push you in the right direction but yourself)?

Emily Hinkle said, "A privilege because if you always get what you want you won't have to work for anything."

Gabriela Garcia said, "It's a challenge." So what do you think?

Seventh Grade Rep It Up !!!

HEY!!! We all know seventh grade was a tough year, not as bad as sixth, but not as good as eighth. Just stuck in the middle of middle school! Wha, Wha, What

We all can remember seventh grade as if it were yesterday...not really. Most can remember it, kinda...Seventh grade, ah, those were the days, you got to stay with the same people in every class...the fun days.

We interviewed Tony Snyder, Erin Lego, and Christian Maerz and asked them what they liked best about seventh grade.

Tony said "The work was so much harder this year, but I like 7th grade better now that I've got a girlfriend!"

Christian said, "It's great to know that now I just have to get through next year and *wow* I'm in highschool!"

Erin added, "I like 7th grade because I found Tony and I guess the work is a little bit harder than last year, but you know, you do what you gotta do to get by." So there you have a few words from the 2012 class living life in the seventh grade.

LunchTime

High schoolers vs. Middle schoolers. Is it really a big difference? Well when it comes to lunch, they both love to grub down a whole lot of food! Middle schoolers don't really think that it is different to eat lunch with high schoolers, and the high schoolers think that the middle schoolers are just childish. But it is not really a big deal. You seventh graders will have the same point of view when you are eating lunch with Middle schoolers once you are in high school.

A Piece of the World

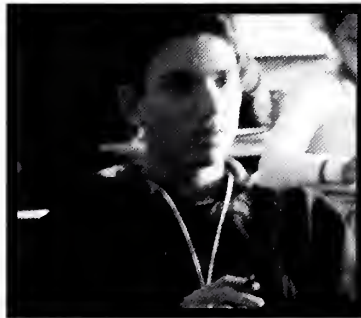

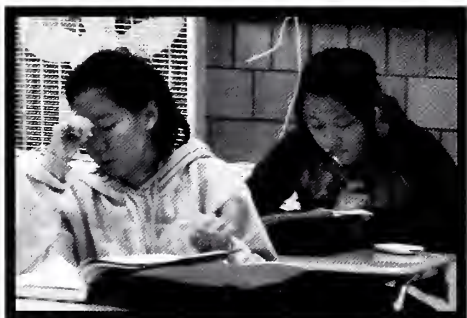

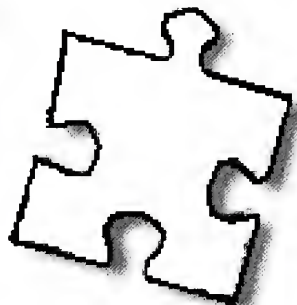

Imagine traveling half-way around the world to live, go to school, and adjust to new ways of life. You would live with a host family whom you know nothing about, and adjust to a country completely different from what you know. How would you feel? Scared? Nervous? Alone?

This year our school welcomed a new group of foreign exchange students. Some of the students knew very little english. Sports are also very different here in the U.S. Yiwen Zou, who is originally from China, said, "In my country we call soccer "football," but after I went to an American football game, I realized I had a lot left to learn. Now I understand why so many Americans are crazy about football games!"

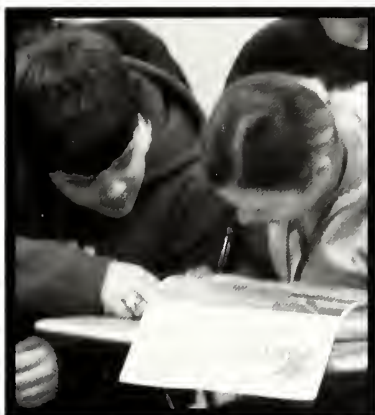

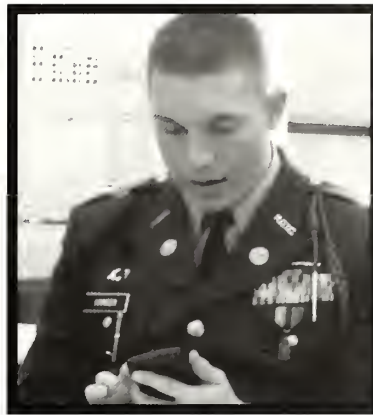

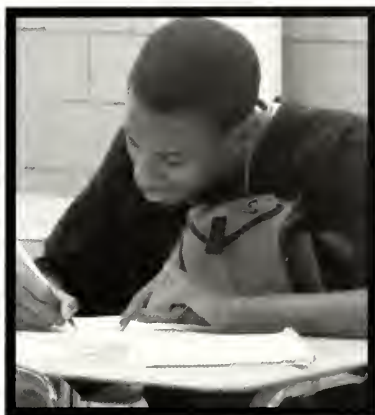

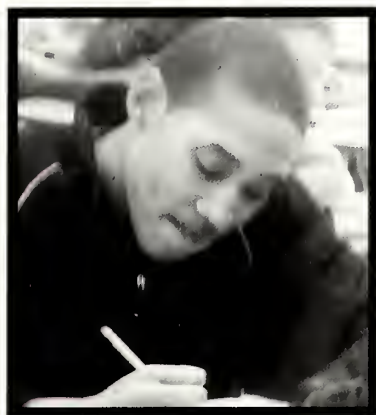

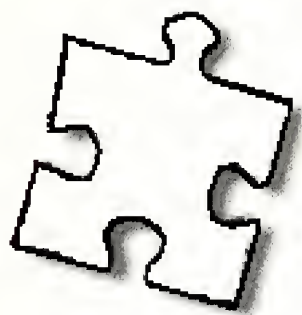

These students slowly began to understand our culture! At the same time, they taught us a thing or two about their own culture!

Deutschklub. German club. It grew quite a bit since last years six members. Maybe it was the activities, which included trips to the Rathskeller and Heidelberg Cafe. Maybe it was the environment or the people? Or perhaps it was the organization, with President Emily Stacey, Vice President Kevin Vinson, Treasurer TJ Tompkins, and Secretary Jacob Vinson. Who knows, but it grew enough to merit it's own tee-shirt as well as a larger section in this yearbook!

Members, like Aaron Kamp, said German club is "Freakin' Sweet", and he hopes to plan a trip to the Liederkrantz. Emily Stacey says "the activities were 'awesome' and I love German food!"

It's true that most of the activities centered around food, but the club hopes to do other things, like explore Indy's German heritage. They hope to be immersed in the culture, as well as possible living outside a German-speaking country.

Iron Man, Thriller, Feel Good Inc. Crazy Train, Jump On It, Good Bye. when your at a Howe Horents football game you hear these titles and many more! Our band is a very important part of our football season. When they play Iron Man, our players, as well as our crowd, get so hype we debate whether we could win without a band at home. But, of course we would, we're the bomb! Now, some of our band members were interviewed and asked "What instruments do you play and how long have you played them?" Sophomore Kristina Dyre, says "I've played the piccolo for two years and the flute for four years."

We asked Junior T.J. Tompkins if he was in another band other than school? He replied "I'm trying, we need a drummer but were looking and we're open for auditions." So, What's the name of their band?.... "Were debating 'That One Band' or 'See-Saw Masacre' Im leaning towards "See-Saw Masacre!"

Next, we asked Sophomore Shauna Neal, "What made you want want to play the trumpet?" "I tried it one day and was the only instrument I could get a sound out of." Thats how you have it from your own Hornet Marching Band!!

By: Richard Snyder

Color Guard

The sound of the band which color guard walks beside. Twirling and spinning the Howe flags. What is color guard? Our color guard mastered the art of spinning and twirling the flags to the sound of the band. What is the best thing about color guard? Shawntay Dillard a Sophomore quotes, "Knowing that when we all work together it will look good in the end." Why did students join? Denise Lyles, a Junior; says "I want to be apart of my school's band this is as close as I'm going to get because I don't play an instrument." Color guard performs with the band. Where the band goes, the Color Guard goes. They make a great team!

Our Choir has been excellent using their talented voices for musical rejoicing! Mrs. Grinder said she enjoyed every performance. The choir sang at the Hoilday Concert and we had a big turn out! People rose to their top performances. It might have been a challenge, but everyone worked hard, and it was a wonderful night! LS

THIS SEMESTER, THE DRAMA CLASS DID AN ADAPTATION OF WASHINGTON IRVING'S CLASSIC, THE LEGEND OF SLEEPY HOLLOW. IT TURNED INTO AN INTERESTING PRODUCTION, STARRING BILLY UBERTO AND ASHLIE KOHLER AS ICABON CRANE AND KRISTINA VAN TASSEL RESPECTIVELY, RASHAD STEVENS PULLED DULE ROLES AS MR. VAN TASSEL AND THE HEADLESS HORSEMAN.

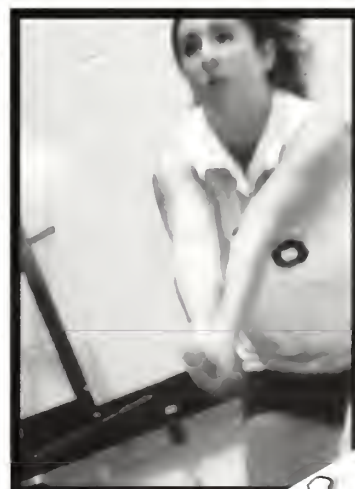

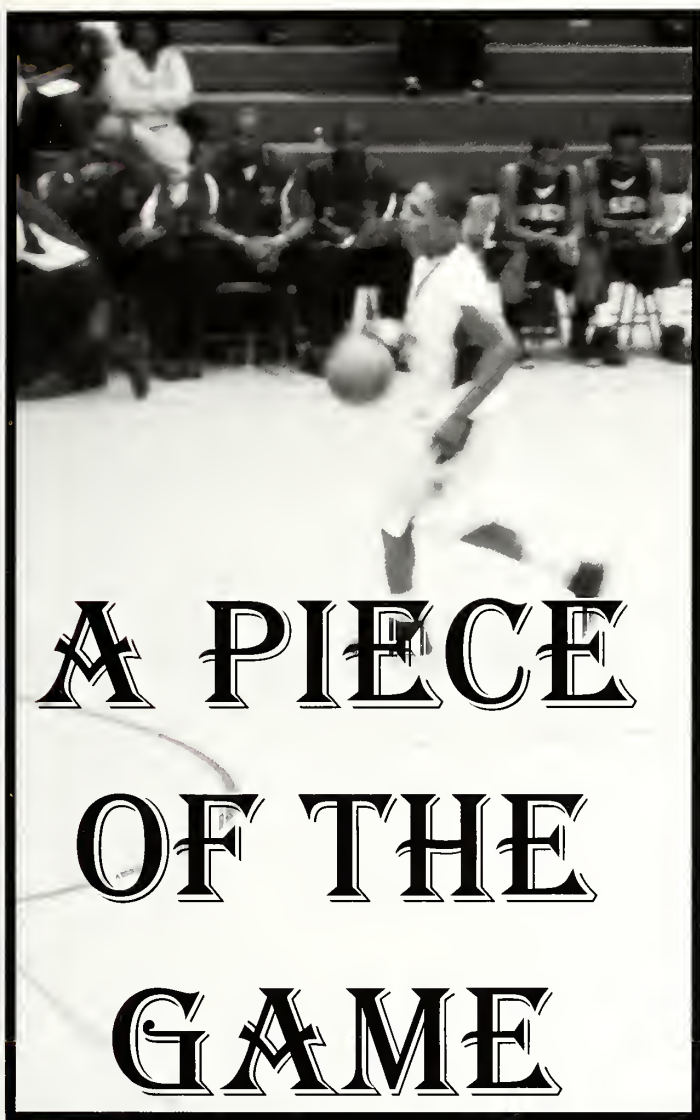

FOR SEVERAL OF THE ACTORS, THIS WAS NOT THEIR FIRST PLAY. EVEN SO, THE FIRST TIMERS STILL DID THEIR BEST AND PUT ON A GREAT PRODUCTION. ALTHOUGH THEY WISHED THEY WOULD HAVE PRACTICED MORE, THEY HAD A LOT OF FUN PUTTING ON A GREAT SHOW FOR THEIR PARENTS, TEACHERS, AND CLASSMATES!

TJ TOMPKINS

THE QUESTION OF WHETHER HOWE WAS GOING TO COME THROUGH LINGERED THROUGHOUT IPS. THEY MUST NOT HAVE KNOWN ABOUT US! OUR BOYS' BASKETBALL TEAM WAS BALLING, OUR WRESTLERS FALLING, AND OUR FOOTBALL PLAYERS FAR FROM CRAWLING. WE'VE WON THE MOST SCHOOL SPIRIT AWARD FOR THE SECOND YEAR IN A ROW, WON IPSAC IN WRESTLING, AND EVEN HAD VICTORIES IN SOCCER AND GIRLS' BASKETBALL FOR THE FIRST TIME EVER!!! SO YES, IT'S TRUE, IT'S TRUE!!! TCHA WILL CONQUER YOU!!!!

It's All About H.S. Football

Pass! Run! Ball! BINGO! That's The sound you hear on the side lines of the Football team. Players line up and shout out what the other team was doing to help prevent them from scoring. It must have worked well because they were ranked 2nd in HPS.

The football team started working on this season early. To be exact, a week after school let out, they began weight lifting, running in the hot sun, and practicing plays. That's the kind of dedication it takes to win games! Seniors Joshua Kyner, Evan Lowe, Quinton and Kendel Downing set the tone for the team with hard work and high Standards. All players put on their helmets on and followed their example doing what they had to do to win.

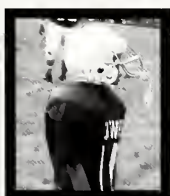

Starting the season on a good note, the hornets won their first game 48 to 14. Junior Marcus Glover, scored the first touchdown of the season with an impressive run! He said, "It felt pretty good. The play was run almost perfectly. I am more proud of how we line blocked. But I was happy to preform well and make the touchdown in front of a home crowd! The juices were Flowing!"

So, what does it take to be a winner? Richard Synder said, "dedication, the luv of the sport and earning a starting position." Junior Cory Carver simply said, "learning all the plays."

Through lots of tough, painful, and intense practice, the hornets worked as a team. They had the knowledge that "football is a team sport, if all don't work together you'll fail." Quoted Sophmore Jameel Cross.

By: Luroy Brewer

FITTING IT TOGETHER WITH MIDDLE SCHOOL FOOTBALL

It's fourth and goal, with three seconds left on the playing clock. You decide to go for it because you're down by three points. "Ready, Set, Hike!" Screams out the quarterback. "Touchdown, Howe!" That's what you see and hear from the middle school football team.

With good thoughts on having a winning season this team was pushed to the limits. Running, passing, catching, and learning new things. They know if they want to win games that's what it takes!

We asked a series of questions to find out how much they really like football. "Xavier Roberts, what is your favorite thing about football?" "Getting trophies and winning games he said!"

Football is 75% physical and 25% mental. "All this preparation is getting us ready for high school said Tony Snyder." The hornets middle school football team is a key piece of our puzzle, fitting in to make it complete!

Bump, Set, Spike IT!!!

by Chloe Dietz and Keondra Dukes

Bump, Set, Spike it that's the way the Hornets like it! Go **HOWE!** That is the usual cheer the volleyball team says before they go out onto the court. With Coach Buffington leading, winning or losing, they still stay together as a **TEAM!**

When Senior Julie Apostolakis was asked, What frustrated you the most about Volleyball? She responded with, "I get frustrated when we play for ourselves and not for one another. We end up defeating ourselves." This season of volleyball was another great one for each team. Varsity player Keondra Dukes was asked, What was the most exciting thing about playing Volleyball. she said "Spiking!!!!!! I love it! It's fun." When asked what was the best thing about the team, J.V. player Ciera Harris said "We stick together." When J.V. player Chloe Dietz gave every body a scare with her panic attack, The team had truly come together to cry and pray for Chloe!

With the Varsity team being mostly seniors, the rest of the girls learned a lot, and very quickly so they would be ready for next season!

Boys Soccer

SOCCER. LOVE IT OR HATE IT YOU CAN'T DENY THAT IT'S GROWING POPULARITY. IT IS CURRENTLY THE MOST RAPIDLY GROWING SPORT IN AMERICA! THIS WAS OUR FIRST YEAR FOR BOYS SOCCER, AND WE DIDN'T DO TOO BAD. OUR RECORD BEING 5 WINS, 4 LOSES, AND 3 TIES, ALONG WITH A NUMBER OF CANCELLATIONS. IN DESCRIBING A TYPICAL GAME, JOSE GONZALEZ SAID, "WE TRY TO GET HYPE FOR THE GAME, WHEN WE GET OUT ON THE FIELD, WE RUN DRILLS AND STRETCH, THEN WE TRY TO PLAY THE BEST GAME POSSIBLE!" WELL THERE YOU HAVE IT, A SMALL PIECE ON BOYS SOCCER. WE HOPE THE PROGRAM WILL CONTINUE TO GROW! MAYBE ONE DAY IT WILL SURPASS THE CURRENT MAINSTREAM SPORTS, BUT WHO KNOWS!

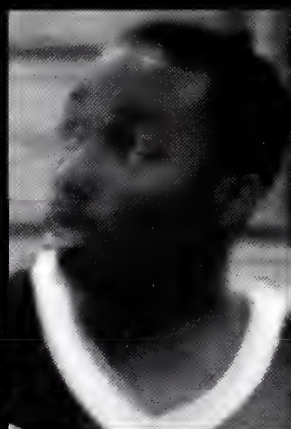

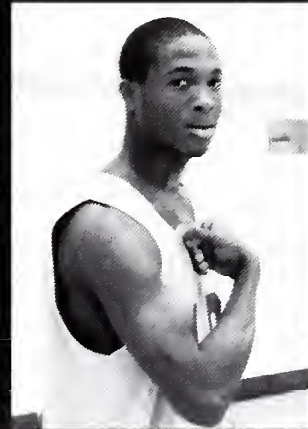

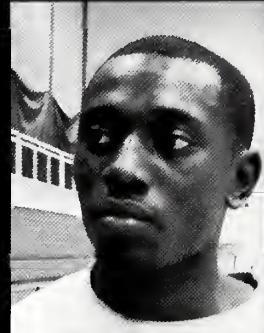

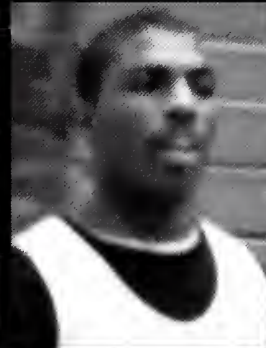

GIRLS SOCCER

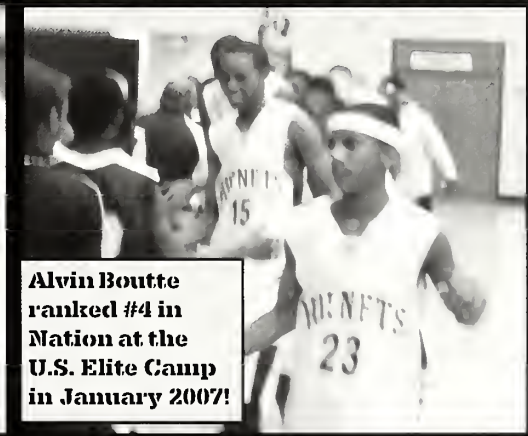

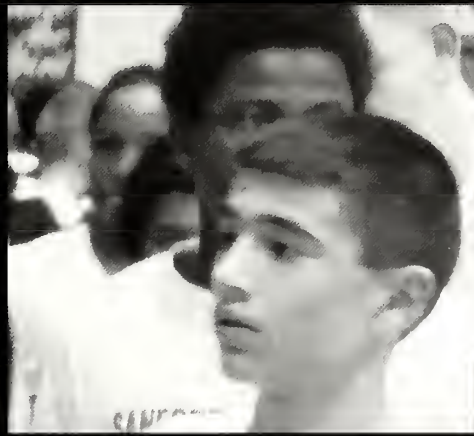

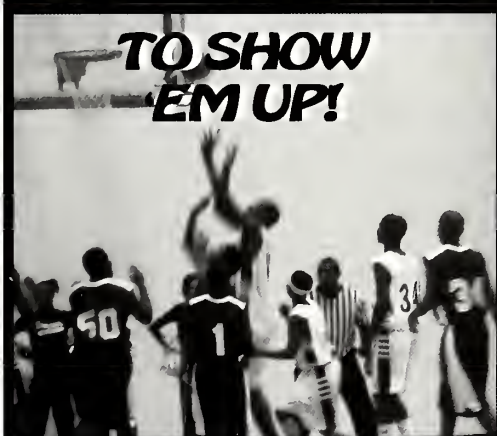

SUMMER CONDITIONING, PRACTICES EVERYDAY, AND THE GIRLS HARD WORK FINALLY PAYED OFF WHEN REBBECA WOODCOCK, THE OFFICIAL CAPTIAN, SCORED A GOAL THAT HELPED THE TEAM WIN THEIR FIRST VICTORY IN THE SCHOOL'S HISTORY! REBECCA WOODCOCK SAID, "BASICALLY I WAS IN COMPLETE SHOCK! ONCE THE REFEREE SAID THAT MY GOAL COUNTED, I NEARLY HAD A HEART ATTACK. WHAT REALLY MADE THE WHOLE GAME BITTER SWEET WAS THAT IT WAS MY FIRST GOAL, AND IT WON THE GAME! VICKEY SCARBOROUGH SAID "PLAYING SOCCER WAS FOR IT BEING MY FIRST YEAR, I COULDN'T EVEN PUT IT IN WORDS! THE GIRLS PLAYED HARD AND HAD A GREAT TIME KICKIN' THROUGH THE SEASON!

HIGH SCHOOL HOOPERS

There are sixteen seconds on the clock. It's Howe's ball. The score is tied and we need this shot to win the game. Swish! Howe wins! Another win for their record! Basketball season was always hype! Students go to every game, home or away, to show support for our team. We had a great season this year. And the team is working towards an even better one next year!

Go Hornets!

Alvin Boutte ranked #4 in Nation at the U.S. Elite Camp in January 2007!

WHY DID YOU CHOOSE BASKETBALL OVER OTHER SPORTS?

Andrew Noel, Freshman "Everybody on the team gets along because we show respect for each other."

Greg Foster, Junior "Basketball has been my thing since I was four!"

Torrey Sargent, Freshman "What can I say, I was born to be BALLIN'."

Dribbling, passing, and even the number of players coming out for the girls' basketball team has improved this year. They went from having only five players, to having both j.v. and varisty this year. Everyday players such as Casabree Sedam and Olivia Foreman are improving basic skills with the help of supportive coaches and team motivaters. Players like LaChondra Stone and Jennifer Garrett have really come through. "We hope to win more games this year", says Captain China King. "Things have continued to get better," says Sophmore Shelia Hall. With rising expectations of our Lady Horents, their performances have risen as well!!!

By: KeKe Dukes

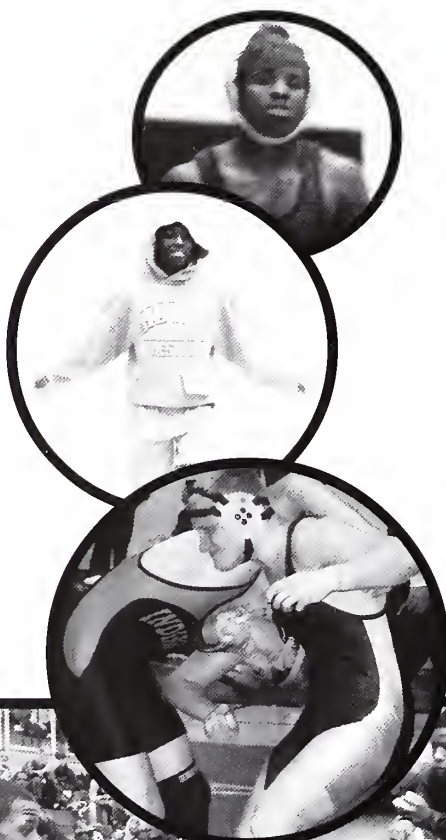

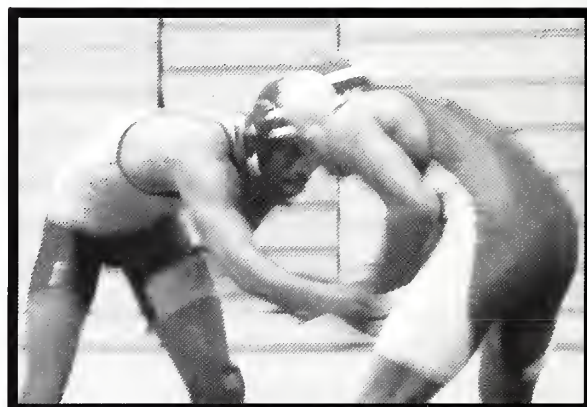

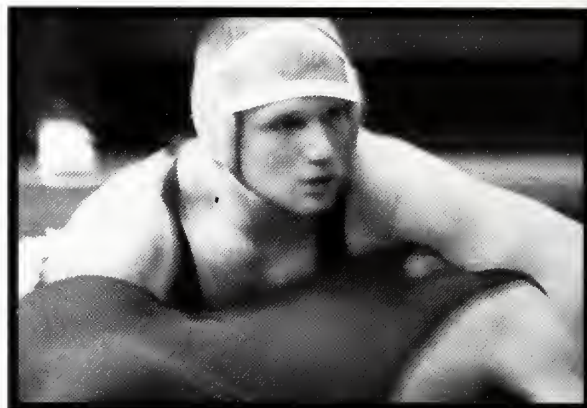

What makes a champion? "Conditioning, the will to keep going, the trill of victory", said Junior Lamont Mayfeild. This wrestling season, the biggest focus was getting the wrestlers stronger and in good shape.

Running miles daily and working out showed just how much deditcation the hornets had.

This was Senior, Joshua Kyner's last chance to make it to state. He made it to semi-state and proceeded even further. With an impressive record of 89-18 he really focused on graduating with a state championship. Josh said, "Making a champion takes running, running, and more running!"

The hornets worked hard and showed all other IPS schools how to push it to the limit.

By Luroy Brewer.

Coach Brown said, "In certain areas we've shown improvement. This year, it was a surprise to have an almost full team. We got better as the season went on. Our wrestlers took practice more seriously and improved in the classrooms, which is always a plus! The most important thing to improve on is our down wrestling; being able to get up and escape. We should be proficient in all other areas of wrestling; top, bottom, and on our feet! If we can concentrate on those things we can compete with anyone in the state!"

Each year the team gets stronger and stonger. The team competed in the Indiana School for the Blind and placed second. Soon we'll be the best in the state!

WRESTLING

BOYS TENNIS

THIS YEAR WAS BIG FOR THE BOY'S TENNIS TEAM. OUR TEAM WAS CONSIDERED THE UNDERDOGS BUT LOOK AT US NOW! MATT DEMMARY MADE IT TO THE SECOND ROUND OF THE IPSAC AND CITY TOURNAMENTS. MATT SCOTT AND KEVIN VINSON LED THE HORNETS TENNIS TEAM TO A #1 DOUBLES VICTORY AT IPSAC.

ANTHONY SHERIDEN GAVE HIS OPPONENT A TOUGH FIGHT, AND ALL TOGETHER HOWE PLACED 3RD AT IPSAC. NEXT YEAR THE TEAM IS PLANNING TO WIN THE TOURNAMENT AND SHOW ALL THE OTHER IPS SCHOOLS THAT HOWE IS BACK AND READY TO WIN.

SKATEBOARDING

THE 900. OLLIES. GRINDS. THESE USUALLY ARE'NT WORDS YOU WOULD USE TO DESCRIBE HIGH SCHOOL SPORTS. SOME CALL IT A REBEL SPORT, WHILE OTHERS CALL IT A LIFESTYLE. WE'RE TALKING ABOUT SKATEBOARDING; A NEW TREND, AND DEFINATELY NOT YOUR AVERAGE HIGH SCHOOL SPORT. THIS YEAR OUR SCHOOL DID SOMETHING NO OTHER IPS SCHOOL HAD DONE. SKATEBOARDING WAS ADDED AS AN ACTIVITY FOR OUR GYM CLASSES. NOW, IF A STUDENT DID NOT WANT PLAY BASKETBALL OR VOLLEYBALL, THEY HAD THE OPTION TO SKATEBOARD INSTEAD!

NEW SKATEBOARDS, PADS, AND HELMETS WERE ALSO AVAILABLE SO EVEN IF YOU DIDN'T HAVE YOUR OWN EQUIPMENT YOU COULD STILL SKATEBOARD. WEATHER A FIRST TIME SKATER, OR A PRO, EVERYONE CAN ENJOY THIS NEW SCHOOL ACTIVITY!

RIDE

RIDE
TILL U
DIE!

This season the middle school girls' cross country team traveled to Doe Creek. When the girls arrived they discovered they couldn't place as a school because they needed five runners. Even though they couldn't place as a school, they could still compete. They then discovered that Ms. Gee, their alternate coach, had only registered Taylor Jones and Alyssa Beard. The team still didn't give up. The team's motto was "Try, Try Again".

On the way back from the meet, the team was energetic. The girls decided to give their interviews as a group. They all run cross country because it is fun, and they "get to spend time with friends. In all their meets they placed 2nd, 3rd, and 14th. Hopefully next year the girls can place 1st. Good Luck middle school cross country team!

MIDDLE SCHOOL CROSS COUNTRY

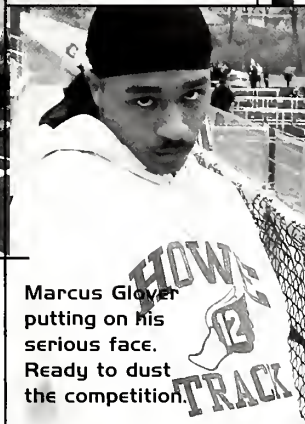

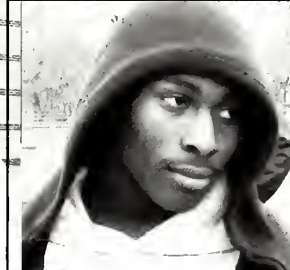

Alyssa Beard, 8th grader, I like cross country because it's fun.

This is the Doe Creek meet where Ms. Gee is showing the girls the course. They had to run around a cornfield, through a field, and across the finish line.

TRACK & FIELD

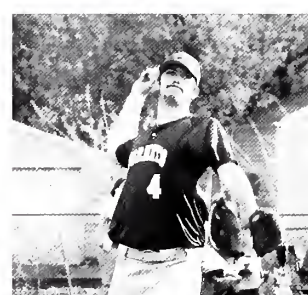

On your mark, get set, go!! That's how it goes as people run around the track. Just how is track? Well, does it keep you active? "Yes," says Junior, Kristin McAtee, "because it keeps me training and always working hard." Why chose track? Senior Josh Kyner quotes, "It Trains me for wrestling, besides running is good." Track isn't only for running. You can compete, hang with friends and just have fun. Are there outcomes for track? James Llyod says he wants to "Go to state and win! Quinton Jones said, "I do it for the females." As you can see, track is not just about running. Join the track team to keep active, meet new people and have fun!

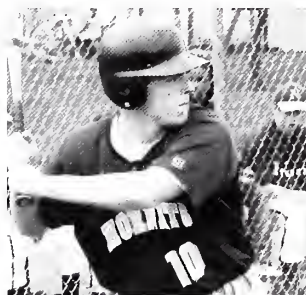

Marcus Glover putting on his serious face. Ready to dust the competition.

Baseball

Strike three you're out!!! Ball four, batter, your base. Baseball is one of Howe's favorite past times and we all know it! The varsity team was named IPSAC champs of the 2006 season!

Matt Demmery

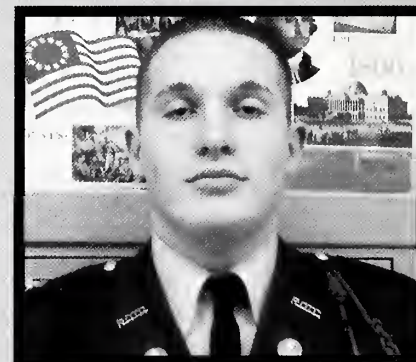

"My favorite position is short stop because most batters are right handed and hit the ball there."

Karon Bond

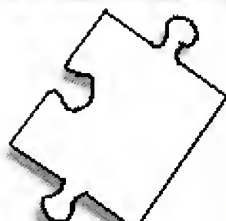

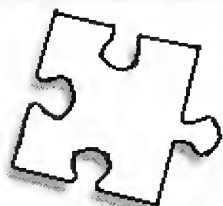

"I like to play short stop or catcher."

Cameron Hanson

"If I could change something about my game, I would have a stronger arm so I could pitch better!"

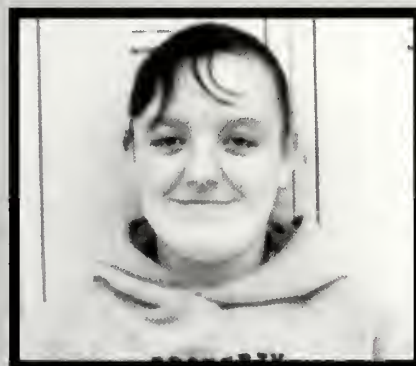

Jessica Dunz

"I like to play softball because it's fun."

Jennifer Garrett

"I like to play because it helps me stay in shape."

Courtney Thompson

"I like to play because it's exciting, I meet new people, and learn teamwork!"

Softball

Hit a home run with the Lady Hornets Softball team! Hitting the ball, going as fast as you can around the bases, and sliding into home!!! The girls played just as hard as the guys because they didn't mind getting down and dirty to win the game.

The best part about softball was meeting new people and building a better team. The girls tried to work as a team and not for individual recognition!

After having no coach, no uniforms, and no practice for more than half of the football season, the Lady Hornets definatly stepped it up and had a fun time doing so! Not only did they cheer in cold weather, they pepped up our students and the team by wearing personalized tee shirts and brillant smiles.

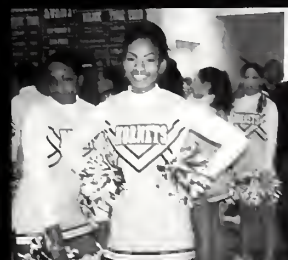

"I have to be a positive role model and support our teams no matter what", said Kristen McAtee. Yet many students still don't consider cheerleading a sport? "They work hard, stay in shape, and have to be eligible, so I consider it a sport" said football player Bryant Green. "The day people yell, jump, and smile as much as I do is when I'll care about what they say!" says Sophomore Shawntae Cole!

The girls looked forward to finally getting new uniforms, higher jumps, and better flips!!! They gave their all at every game and encouraged our teams to play their hearts out.

The Lady Hornets are an important piece of our livlihood!!!

DOES RACE REALLY Interacial Relationships MATTER?

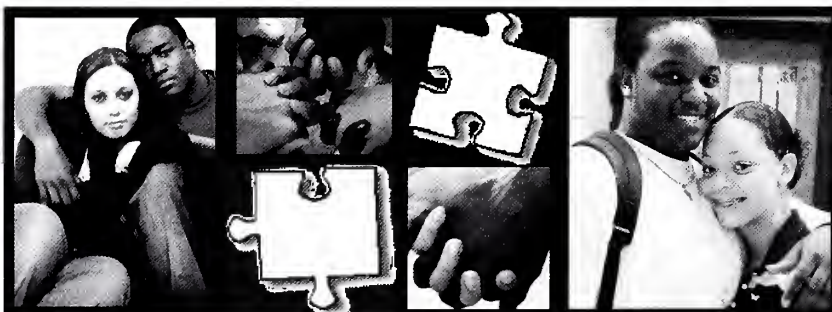

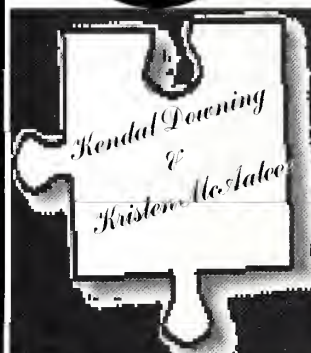

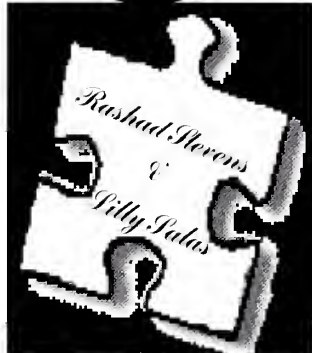

*According to Dr. Martin Luther King Jr.
"People should be judged not by the color of
their skin, but by the content of their
Character".*

DO YOU SEE STUDENT OF DIFFERENT COLORS HOLDING HANDS? DOES IT BOTHER YOU? DO PEOPLE STARE OR WHISPER? DOES IT BOTHER YOU? ANGELA BATES SAID, "I DON'T CARE ABOUT WHAT THEY'VE GOT TO SAY." AS TIME PASSES PEOPLE HAVE GROWN TO ACCEPT INTERDATING, WHICH HAS RAPIDLY GROWN! ACCORDING TO THE GALLEY TEEN SURVEY, TEENS HAD AN OVERWHELMING POSITIVE VIEW OF INTERDATING. 72 % OF TEENS THOUGHT PEOPLE DATED OUTSIDE OF THEIR RACE BECAUSE THEY CARE FOR THEIR PARTNER, 20% THOUGHT IT WAS REBELLION AGAINST PARENTS OR TO BE "COOL", WHILE THE REST WERE UNSURE. WHEN ASKED IF THEY BELIEVED RACE MADE A DIFFERENCE AND IF THEY HAVE ALWAYS BEEN ATTRACTED TO A DIFFERENT RACE, JOSE SAID, "NO BECAUSE YOU LIKE THE PERSON EVEN IF THEY LOOK DIFFERENT FROM YOU." RASHAD SAID "RACE DOESN'T MATTER, ITS HER PERSONALITY THAT I LOVE, I LOOK AT HER AS A PERSON NOT A COLOR I HAVE ALWAYS BEEN ATTRACTED BY THE PERSONS GOAL IN LIFE, & IF THEY ARE RESPONSIBLE, HONEST AND TRUSTWORTHY."

RACIAL DIFFERENCE

1/4 OF THOSE SURVEYED SAID THAT WHITE AND BLACK STUDENTS DATING WOULD FACE PROBLEMS FROM WHITE OR BLACK STUDENTS IN SCHOOL. ITS NOT SURPRISING THAT GALLUP REPORTED THAT BLACK STUDENTS FACED THE HIGHEST RATES OF RESISTANCE FROM THEIR PARENTS OVER INTERRACIAL DATING THAN ANY GROUP SURVEYED. 90% OF EACH WHITE, HISPANIC, ASIAN STUDENTS SAID THEIR PARENTS ACCEPTED THEIR RELATIONSHIPS. ONLY 59% OF BLACK STUDENTS SAID THEIR PARENTS WERE COMFORTABLE WITH THEIR DATING. WHEN ASKED WHAT FAMILY THOUGHT ABOUT THEIR RELATIONSHIPS, RASHAD SAID "THEY'RE COOL, THEY LOVE MY GIRL THEY THINK SHE IS GREAT." ANGELA SAID, "THEY DON'T KNOW ABOUT IT, I'M SURE THEY WOULD NOT LIKE IT." JOSE SAID "THEY KNOW I HAVE A GIRLFRIEND BUT NOT WHAT HER RACE IS." AS INTERRACIAL RELATIONSHIPS GROW, SO DOES THE ACCEPTANCE TOWARDS IT.

Wow! People have them? Yes, they do. Students our age do have jobs after school. Some had them to learn independence, others just wanted the money. Who would blame them. Micheal Turentine, a Jr. was asked if his job was what he expected. He quotes "No, not right now. I plan on being a big time Musician. I work at Wendy's, but I am a part-time musician.

"Did every student have a job? No! LaKeisha Jordan, a Jr. was asked, Why don't you have a job. She says " Because I have a lot of after school activities." "Is having a job important? Denise Lyles, "also a Jr, says "Yes, because it helps me with life and gives me something to do.

The use of non essential items is on the rise everyday, but with every good thing, comes a bad one. Our very own Ms. Kjayi can't go a day without a diet Mountain Dew or she'll get a headache. She spends \$3 on Dew everyday, 7 days a week, 365 days a year....you do the math! When asked if she will ever give it up she said, "Yes, I'm going to have to if I want my kidneys, but it won't be easy!"

Sophomore Angela Bates can't live without her new shoes. "I'm used to having new ones whenever I want, so now I can't be without them." Junior LuRoy Brewer will get sick if he doesn't have a Snicker. The Truth on why kids are getting them!

"Did you see her tattoo?" "Wow! Is it tight?" "Yea, and she only paid \$50 dollars for it." "Wow! I want one." "When did you get your piercing?" "Oh this old thing." "I've had it for about a month." "I want to get mine done." A conversation carried by Freshmen Ariel Vaughn and Courtney Bush.

Tattoo's and piercings. One a permanent mark, and the other is a thing of fashion. Why do students these days get them? We did some exploring to get to the bottom of why this is such a hot trend. Students came up with many good answers. What made you get a tattoo or piercing? Junior, Jennifer Brown quoted, "It seemed sexy at the time." On a scale of 1-10 how much did it hurt? Junior, Nicole Lewis said, "about a 2. It's like I didn't even feel it." What part of your body would you never get a tattoo or piercing? Junior, Jamie Hill said, "In part where no-one else could see it."

Tattooing and piercing is one trend that will never go out of style. Students ranging from 1st grade to collage are still get them. Some do it for fun and others just want them. But we know one thing, we keep it fresh "one point at a time!"

Completing The Puzzle

Another great year has been put in the books. More and more new faces have passed through these hallways which we call our school. Another class of graduates are soon to explore new opportunities. But from all the school years that have passed, this was the most fun, the most hype, and the most crunk year we've had. Football season, we were in the stands bringing it down. At Basketball games, we had everyone screaming out BALLIN!!!! In our classrooms students were excelling in their studies. Yes, this was one of the best years, no doubt!

What was your most remembered memory? "I remember when we won the most school spirit award," said Sophmore Micheal Wilson. "Man we had the hallways on lock. We were alwayz in the hallways playing and joking around!" said seventh grader Courtney Dukes. "I'm going to miss talking to old friends and seeing everybody on a daily basis," said freshmen Porisha Brewer.

With our school under construction, more and more changes are being added for the better! Are you looking foward to the new changes to our school? Sophmore, Marvin Brewer said, "I can't wait till these changes are done. Im tired of seeing the same old stuff."

Piece by piece the school is improved from the ground up. The memories shared throughout this year will never be forgotten, as they go down in the books of history. We are becoming better year by year, piece by piece.

Greetings from your alumni association

Your *Hilltopper* is a valuable record of a year in the life of Howe. We treasure our *Hilltoppers*, as you will yours in years to come. It is not long after graduation until you start swapping stories about high school days and reaching for your *Hilltopper* to see what someone looked like back then. Did that person play on the baseball team? Do you remember who was in the school play? The volleyball team? Was she in the band?

Can you imagine attending your 10th reunion? Those reunions will come around quickly, and we were certainly glad we had our *Hilltoppers*. With the help of these treasured books, you and we can relive the good old days. Through e-mail and Howe chat rooms you may even meet classmates you didn't know all that well during those years when you were a student. In addition, what fun your children and their children will have laughing at your hairstyles and clothes back in the "old days."

So, what about us, exactly what does the Howe Alumni Association do? We support the school and keep alive the spirit of Howe. At graduation you will receive your Thomas Carr Howe Alumni Association membership card. Howe alumni currently receive every six months a newsletter, *Howe Now*, with pictures, stories, and other Howe updates. We support Howe activities and provide scholarships. We help finance the *Hilltopper* and help underwrite some of the costs of various school functions. We maintain the floral block H on the hill below the Tower. We provide volunteers for school activities. We even have a web site—tchhs.com.—to keep in touch with former classmates. Funds for our activities come from alumni contributions and fund-raising (the school concession stand, the booth at the Irvington Halloween Festival, and sales of alumni merchandise are some of the ways we generate money.)

When you get your Alumni Association card, you will join the 20,000 other graduates of Howe. We look forward to your being a part of our group.
